

TFG CELEBRATES ITS TWENTY-FIFTH ANNIVERSARY

In 2007 TFG is celebrating its twenty-fifth year in business. In that time the firm has grown from having 3 clients to over 150. Firm Founder and CEO William Ferguson said, "When I started as a one-man shop in 1982 I never imagined that this company would grow to be one of Influence Magazine's Top 25 firms. I have been very fortunate to recruit and retain the best and brightest in DC to promote the needs of our clients and am proud that our record of success has made us a trusted resource with a national perspective and local knowledge."
